Frequently Asked Questions

How do I register for a competition?

Navigate to the Discover page, find the competition you want to join, and click the "Join Competition" button. You'll need to pay the entry fee to complete your registration.

How is my rating calculated?

We use the Glicko-2 rating system, which considers your performance in competitions, the strength of your opponents, and the consistency of your play.

Can I create a team with my friends?

Yes! Go to the My Team page and click "Create Team". You can then invite other players who are not currently on a team.

What happens if I need to withdraw from a competition?

Please contact the competition administrator as soon as possible. Refunds are subject to our refund policy and the competition's specific rules.

How do I report an incorrect match result?

On the My Competitions page, find your match and click the "Report Issue" button. A competition administrator will review your report.

Our Mission

At Cue Sports Company, our mission is to foster a vibrant and inclusive community for cue sports enthusiasts worldwide. We strive to provide top-tier competitions, resources, and a platform for players of all skill levels to connect, compete, and grow their passion for billiards, snooker, and pool.

Our Story

Founded in 2020 by a group of dedicated cue sports players, Cue Sports Company began with a simple idea: to create a better way for players to find, join, and manage competitions. Frustrated by fragmented systems and lack of centralized information, we built a platform that streamlines the entire competition experience, from registration to score tracking and dispute resolution.

What We Offer

We offer a comprehensive suite of tools and services for cue sports players and organizers, including:

- Easy competition discovery and registration
- Real-time match scheduling and score updates
- Robust standing and ranking systems
- Dispute resolution mechanisms
- Community forums and networking opportunities

Our Values

- **Fair Play:** Upholding integrity and sportsmanship in all competitions.
- **Community:** Building a supportive and engaging environment for all players.
- **Innovation:** Continuously improving our platform to meet the evolving needs of the cue sports community.
- **Passion:** Sharing our love for cue sports and inspiring others to join.

The screenshot shows the CCompControl application interface. On the left is a sidebar with user information (Cue Sports Central, John Smith) and various navigation links: Create Offline Player, Competition Management, Competition Control (highlighted in blue), Raised Disputes, All Player Features, and Logout.

The main content area displays the "City Championship 2024" competition details: Discipline 8-Ball Pool and a "View Brackets" button. Below this is the "Match Control" section, which lists six matches with their respective numbers and player names: Match #1 (John Doe), Match #2 (Starc Mitchel), Match #3 (Andrew Flintoff), Match #4 (Steve Smith), Match #5 (Ricky Ponting), and Match #6 (Shane Warne). Match #6 is currently pending.

A modal dialog box titled "Enter Match Result" is open, prompting the user to input final scores for Match #3 between John Doe and Mike Johnson. The current score is 2 - 11. A "Update Score" button is available. Below this, the "Frame-by-Frame Scores" section shows the results for each frame from 1 to 7. Each frame has two input fields for scores and a trash can icon. A green "+ Add Frame" button is located below the frame list. At the bottom of the dialog is a "Choose Winner" dropdown menu, a "Cancel" button, and a prominent purple "Submit Result" button.

User can enter the result and choose the winner of the match.
